CHELOEE SPRINGS.
F. CANTRELL, Proprietor.
THIS pleasant Summer resort is now in complete repair, and ready for the entertainment of a large company of visitors.
It is located 8 miles northeast of Spartanburg, C. H., on the main route leading to Rutherford, N. C., on an elevated spot, and surrounded by pleasant walks and drives. Cowsen's Battle-field is but 8 miles distant. The HOUSE is new, healthy, and comfortably furnished, with neat and airy bed-rooms, and piazzas to both stories of the entire length of the building.
The TABLES are supplied with every reasonable article within reach, and the Servants are attentive to the comfort of guests.
The WATERS of the Spring are known all over the State for their valuable medicinal properties, and particularly for rapid action on the liver and kidneys, and are eminently beneficial in cutaneous diseases, such as Scrofula and Eczema, and are also attached to the Spring. The Spring itself now rises in a Rock Basin, and this improvement has reduced the temperature of the water much below what it formerly was.
Prof. DuPre, of Wofford College, is engaged upon an analysis of the properties of the Spring, and as soon as completed, it will be added to this notice.
TERMS of BOARDING:
One Person, \$20 per month;
" " 6 " week;
" " 4 " day.
Children and Servants half-price. Horses 62¢ per day.
A few Cabins still unlet. Terms, \$25 per season.
